

Latiso

Latiso is a dance oriented Latin group performing in the styles of Beguine, Bolero, Bossa Nova, Calypso, Cha Cha, Charanga, Guaracha, Mambo, Merengue, Rumba, Samba, Son & Tango. **Latiso** also performs much of the standard jazz material providing a musical combination that is outstanding.

The rhythmic essence of this group is set with the sounds of percussion on Drums & Timbales along with a Tumbadora (Conga) drummer. The Keyboard & Bass lock in the standard montuno & tumbau essential for the proper sound and feel for this music and one, two or three horns (Sax, Trumpet & Trombone) add the full melodic melodies & harmonies.

Whether you dance or just tap your feet this musical combination provides a band that is unforgettable.
